## Why do we say "OK"?

Watch Video At: <https://youtu.be/1UnIDL-eHOs>

The word "OK" is one of the few words that is recognised internationally. We hear it everywhere and it is essential to how we communicate with each other and with technology. Vox looks at what this word actually means — and where it came from.

## Activities

1. Research what OK is in other languages. Learn as many as you can!
2. Try learning a new word each day this week and use that word in a sentence three times a day.
