Central RSA Academy Trust is part of the RSA family of academies. Our inclusive schools are committed to social justice by providing the best possible opportunities for our young people to experience the highest quality of education.

We strongly believe in the **Power to Create:**

- Exceptional learners
- Outstanding people
- Strong communities
- Creative Schools

We currently have opportunities for Primary practitioners in Upper Key Stage 2 and in addition, primary and secondary practitioners in Key Stage 3 with an interest in teaching English and maths. As additional allowance is available for candidates with the relevant skills or experience.

Practitioners must have:

- The desire to join a progressive, supportive and hard-working team who have the best interests of children at heart;
- Exceptional classroom practice with high expectations and a passion for developing a strong learning culture;

- The ability to design and plan an inspiring curriculum and nurture a love of learning for all groups of learners;
- The attributes to join a committed and positive team of professionals with a 'no excuse' ethos;
- A commitment to making a positive difference within the community;
- A commitment to engage in a range of training and development opportunities;
- A sense of humour.

The Schools offer:

- Children who are eager to learn;
- Opportunities to work collaboratively on new initiatives and research;
- A team of committed staff and leaders;
- The opportunity to make a real difference.

Our schools work in close partnership with the others schools in the MAT which includes an Outstanding High School (Ofsted judgement December 2018 for the second time). In addition, our MAT boasts two teaching schools – RSA Teaching School Alliance and Abbeywood Teaching School. We therefore offer a wealth of the highest quality CPD and leadership programmes and invest heavily in the development of our staff from NQTs to Senior leaders.

Please come and visit us. **Closing Date – 12.00 noon on Wednesday 13th March 2019.**
